Diaz e. al v. Rene French Cleaners Inc. et al
Index No.: 20-cv-3848

Dear Judge Reyes:

Our office represents Plaintiff in the above-referenced action. We write to inform the Court of an issue that has arisen in this case.

On or about November 17, 2021, this office was contacted by an individual purporting to be an attorney for the Defendants. We have been in contact since then, attempting to negotiate a resolution of this case. However, recently it was brought to my attention that an attorney by this individual's name has been disbarred in the State of New York. I promptly verified this information with the New York Courts and have made a report to the appropriate disciplinary board. At this time no appearances have been made on Defendants' behalf.

Thank you for your attention.

Respectfully submitted,

/s/ *Clela Errington*
